BANGALORE CITY MUNICIPALITY.

Jud. 48-38-70

No. A2-2286/38 Exc. Plan & Estimate two Resolutions

MUNICIPAL OFFICES,

Bangalore, 30th Dec 1938.

4.1.39

From

S. NARAYANA RAO, ESQ., M.A. (HONS.),
MUNICIPAL COMMISSIONER,
Bangalore City.

To

C. Subramanya Aiyer, Esq., B.A., B.L.,
The Secretary to the Government of
His Highness the Maharaja of Mysore,
Local Self-Government Department,
Bangalore.

SIR,

Re. construction of a general dispensary in Kempegowda road.

I have the honor to state that the question of shifting the general dispensary, at Balepet, to a new building in Kempegowda road is under correspondence from a very long time. The Executive Engineer, Buildings Division, Bangalore, has sent an estimate for Rs.20,000/ for the construction of a new building in the said locality. It was considered by the Managing Committee, at their meeting held on 28th November 1938, and they have resolved that the Municipality would construct a building at a cost of Rs. 12,500/-, as they were unable to provide any higher sum for the purpose and that Government be -- requested to make a grant of the balance, if a building had to be raised at a higher cost. This resolution of the Managing Committee was approved by the Municipal Council at their meeting held on 12th December 1938, with the observation that the cost of the buildings, in such cases should be met in equal proportions from the State, Municipal and District funds, as contemplated in Art. 303 (b), M.A.M. Part II. Copies of the resolutions of the Managing Committee and of the Municipal Council and also the connected plans and estimate are herewith forwarded.

P.T.O.

Proceedings of the Managing Committee, dated 28-11-1938.

---

3. Municipal Commissioner's Note re. the quota to be paid by the Municipality for the construction of the dispensary at Balepet (2) the maintenance of the Tuberculosis Dispensary and (3) the construction of a Solarium. Also letter from the Senior Surgeon re. the quota that will be borne by Government for maintaining the Tuberculosis Dispensary.

—

1. The Council will build it at a cost of Rs. 12,500/- and are unable to provide any higher sum. The Government be requested to make a grant of the balance if a building is to be raised at a -- higher cost.

2. The Council agrees to run the Dispensary on the same lines as the other medical dispensaries.

3. The Red Cross may be requested to provide a Solarium at their cost as the Municipality is not in a position to contribute anything towards the same.

Sd: N. Balakrishnaiya,

Chairman.

—

Subject No. 23.-

Opinion of the Managing Committee dated 28th November 1938 that the Municipality will build the Balepet Dispensary at a cost of Rs.12,500/- and the Government be requested to grant the sum that may be required in excess, that the Tuberculosis Dispensary will be run by the Municipality on the lines as the other medical dispensaries and (3) that the Red Cross be requested to provide a Solarium at their cost.

—

The President observed that three items were included in one subject and suggested that they may be taken up one by one.

Accordingly, Mr. W.H. Hanumanthappa moved the first one, viz., construction of the Dispensary at Balepet, etc., and Mr. I.K. Purushothama Naidu seconding it observed that while making reference to Government attention of Government should be drawn to Art. 303 (p) (b) of M.A.M. Part II, wherein it is stated that the cost of construction of Local Fund Dispensaries shall be met from State, District and Municipal Funds in equal proportions.

Resolution:- Passed.

(ii) Re. the quota payable for the maintenance of the Tuberculosis Hospital.

(16

The President explained to the House that while the Municipality had to pay 2/3rds of the cost as in the case of other dispensaries, and the Government to pay the remaining 1/3rd, the Managing Committee had passed the resolution that the Municipality could not pay more than 1/3rd thinking that this was proportionate cost to be borne by the Municipality and that the Government want the Municipality to meet ⅔ the cost which will be about Rs. 4,000/- and odd.

Mr. I.K. Purushothama Naidu speaking next observed that except the cost of European medicines and the pay of the Sub Assistant Surgeon, the other amount has to be paid by the Municipality, that the sum of Rs.7,000/- and odd mentioned, included the pay of the Sub Assistant Surgeon also and that it was better if the exact quota is worked out and a resolution passed. He therefore proposed that this question may be referred to the Managing Committee for fixing the proportion.

Mr. Ramalal Thiwari seconded the above.

Resolution:- Referred to the Managing Committee for working out the proportion.

(iii) Construction of Solarium.

Mr. W.H. Hanumanthappa moved that the opinion of the Managing Committee be approved and Mr. I.K. Purushotham Naidu seconded.

Resolution:- Approved.

Sd: N. Balakrishnaiya,
Honorary President.

Constructing a general dispensary in Kempe Gowda road, Bangalore, for shifting the Balepet Dispensary.

Sir,

With reference to G.O.No.G.12279-83/Med.316-38-2 dated the 27th May 1939 sanctioning the revised estimate amounting to Rs.19,300 for the above work and directing that the work may be taken up immediately, meeting the cost as noted in the margin, I have the honour to inform you that it is reported by the Superintending Engineer, Mysore Circle, that the Municipal Council have since resolved to provide funds for the work next year. The grant towards Government share has however been made available out of the lumpsum grant of Rs.1,25,000 provided in the budget for the current year for 'additional requirements.' In view of this fact it may kindly be intimated if the work may be taken up this year restricting the outlay to the extent of the State Fund share, viz., Rs.6,800 or if the work may be postponed till next year.

Bangalore City Municipality Rs. 12,500
State Funds .. 6,800
Total Rs. 19,300

I have the honour to be
Sir,
Your most obedient servant,

for Secretary to Government, P.W.D.

SIR,

With reference to your letter No. G. 3460/- Med.316-38-6 dated 9th October 1939 and reminder No. Gl. 4199/Med 316-38 dated 11th November 1939 in regard to the construction of Balepet Dispensary in Kempegowda Road, Bangalore City with the opinion of the Municipal Council in the matter of putting up a building for the Balepet Dispensary at a total cost of Rs. 25,200/-, I have the honour to state that the subject was placed before the Municipal Council and they at their meeting held on 14-11-1939 resolved that they were not prepared to incur extra cost and build the Dispensary facing Krishnaiyengar Road and agreed to have the site to the East of the site selected for the proposed Red Cross Buildings for constructing a Dispensary at a cost of Rs. 20,000/-, the quota payable by the Municipality being only Rs. 12,500/-, a copy of the resolution of the Municipal Council in the matter is also enclosed for reference.

I have the honour to be,

Sir,

Your most obedient servant,

Forwarded with compliments.

25/11

Honorary President.

Municipal Commissioner.

Proceedings of the Municipal Council meeting held on 14-11-1939.

Subject No. 44.

Council Resolution dated 15-5-1939 that the Municipality likes to have the combined dispensary on the Main road instead of behind as is now proposed. Also letter from the Secretary to Government, Development Department, in the matter.

The President explaining the case said that the Government wanted the land facing Krishnaiengar Road, to the South of the Maternity, Originally set apart for construction of a dispensary for putting up the Red Cross Head Office and that the Council have decided to put up the dispensary there and that the Government have no objection to allow this provided the Municipality puts up a building similar to the ones already put up there. He observed that if this accepted, the Municipality will have to pay about Rs. 25,000/- for the construction of the building that the Municipality has already agreed to pay Rs. 12,500/- and that it is not in a position to pay more.

The Commissioner observed that the Government had agreed to pay about Rs. 7500/- towards the building and that if they did not agree to their suggestion to have the building facing the Hospital Lane, they may lose this contribution also. He also said that the Hospital Lane was going to be a very important road, as there were proposals to widen the same to 30 feet and that in view of this, it was perhaps - not very necessary to spend the extra amount of Rs. 5000/-.

The President further observed that there were two alternatives before the Council, (1) to have the building in the Main Road, facing Krishnaiengar Road, in which case the total cost will be Rs. 25,000/- and the Municipality will have to pay about Rs. 17,500/- ie., Rs. 5000/- more than the amount already resoved upon, which have will have to be met again from Loan Funds.(2) or to have the building facing Hospital Lane in which case the cost for the Municipality will remain Rs. 12,500/- . He also said that the site to the east of the

the present site would be best fitted for the building and that if this is approved there would not be any extra cost to the - Municipality.

Mr. I.K. Purushothama Naidu speaking next said that it was not sound to tap the Loan Funds to an extent of Rs. 5000/- more, which would mean the commitment of the Municipality for 20 years more at Rs. 175/- per year. He suggested that Government may be requested - to pay this extra Rs. 5000/- in addition to Rs. 7500/- they have - promised to pay.

Mr. C.M. Garudachar also urged that as the Government want the Municipality to put up a decent building, if they want the site facing Krishna Iengar Road, they may be asked to contribute this extra amount of Rs. 5000/- also.

Mr. C.Krishnappa observed that the area facing Krishnaiengar Road was bigger in extent and better suited for a hospital and so the dispensary may be put up at this site, even though it costs Rs. 5000/- more.

Mr. B.L.Byanna observed that as the safeguarding of the public health is an obligatory duty of the Municipality, it should not - hesitate to spend money when the result of such an action is towards the well being of the ratepayers.

Mr. T.L. Gangoji Rao observed that as the Commissioner has said that the Hospital Lane is also going to be a broad and important road it was not worthwhile incurring the extra cost of Rs. 5000/- under the present financial conditions of the Municipality.

Resolution:- The site to the east of the Present site facing the Hospital Lane was selected and it was decided to have a building at a cost of Rs. 20,000/- the quota payable by the Municipality being
